

Minutes: Council for Teaching and Learning  
1/19/05

Dwight Riley attended the meeting to assist us in our second endeavor with the Recognition Program. Dwight emphasized the amount of work and effort that went into the program creation and feels it is in the Council's best interest not to attempt to change any important details.

Gwen mentioned the difficulty we are having this year dealing with losing members through rotation and keeping continuity.

Dwayne will photocopy the nomination entries for recognition and forward them to all CTL members. Each member will review the nominations individually and we will vote at our Feb. 16 meeting.

It is very important that everyone try to attend this session.

It was suggested by our chair, Linda that another co-chair be nominated since Mike (original co-chair) left the Council. Further discussion was left for the next meeting.
