**Subscription Databases** (available at [http://tscecr.dcccd.edu/wam/v2/library/databases\\_alpha.htm](http://tscecr.dcccd.edu/wam/v2/library/databases_alpha.htm))

[\*Alternative Health Watch\*](#) (web) 1982 to present

Article abstracts and full text from over 170 international peer-reviewed consumer and professional newsletters. Updated monthly.

[\*Clinical Pharmacology\*](#) (web) Current

Provides up-to-date, concise and clinically-relevant drug monographs for all U.S. prescription drugs, hard-to-find herbal and nutritional supplements, over-the-counter products and new and investigational drugs.

[\*Encyclopedia of Bioethics\*](#) (CD-ROM) 1995

Encyclopedia of articles related to the ethical, religious, and moral dimensions of medicine, science, and technology.

[\*Encyclopedia of Life Sciences\*](#) (web)

Encyclopedia of articles in the field of life and biological sciences.

[\*Health & Wellness Resource Center\*](#) (web) Current

Database of articles from magazines, medical periodicals, reference books and pamphlets on general health-related topics. This database is intended for informational purposes only and should not replace a visit to your doctor.

[Health Reference Center Academic](#) (web) 1996 to present

Database of articles on medicine, diseases and medical disorders, HMOs, prescription drugs, fitness, pregnancy, nutrition, occupational health and safety, alcohol and drug abuse. This database is intended for informational purposes only and should not replace a visit to your doctor.

[Health Source: Consumer edition](#) (web) Current

Database of full-text articles from over 160 journals as well as abstracts from an additional 160 journals. Articles focus on medicine, food sciences, nutrition, sports medicine, and general health. This database is intended for informational purposes only and should not replace a visit to your doctor.

[Health Source: Nursing/Academic edition](#) (web) Current

Database of full-text articles from over 520 journals as well as abstracts from an additional 500 journals. Articles focus on medicine, nursing and other allied health fields. This database is intended for informational purposes only and should not replace a visit to your doctor.

[Medline](#) (web) 1966 to present

Additional access point to The National Library of Life 's database of references to more than 11 million articles published in 4300 biomedical journals. This access point allows you to narrow down by type of journal and/or journal title. It will not be updated after March 2001.

[Medline with MeSH](#) (web) Current

Database of abstracts from over 4,000 bio-medical journals covering the fields of medicine, nursing, dentistry, veterinary medicine, health care, and pre-clinical science.

[Psychology and Behavioral Sciences Collection](#) (web) 1985 to present

Index to full-text articles found in over 460 journals related to psychology, psychiatry, anthropology and mental health. Error! Hyperlink reference not valid.

[PubMed](#) (web) 1966 to present

Index to articles found in full-text journals at the websites of participating publishers. Also provides access to molecular biology databases.

[STAT!Ref](#) (web) 1984 to present

Enables users to cross-search more than 35 medical resources such as Current Medical Diagnosis & Treatment, Mosby's Drug Consult®, The Griffith 5 Minute Clinical Consult, Stedman's Medical Dictionary, Dictionary Of Medical Acronyms & Abbreviations, and more!

[Sociological Collection](#) (web) 1984 to present

Full-text from over 560 journals related to sociology, relationships, behavior, community development, culture and social structure.

## Electronic Database Search Universals

- 1. Select the database
- 2. Do the search
- 3. Display the results
- 4. Mark the records - if this function is available
- 5. Export the records (email or download to a disk)
