THUNDERDUCK BASKETBALL

The season is a month from tip-off, yet one Thunderducks newcomer is already attracting a lot of attention. Will Bullard, a 6'4" transfer from Marygrove College (Detroit, MI), was recently profiled on TexasHoops.com, a website dedicated to Texas high school and college basketball, in particular recruiting.

Bullard was named second team All-American as a freshman at Marygrove and is garnering a lot of NCAA Div. I attention for his outstanding athleticism.

Corpus Christi A&M, McNeese State, Southeastern Louisiana, North Texas, Nebraska, Centenary, Southern and TCU have all inquired about Bullard, along with a number of DII schools. He is expected to visit Corpus Christi A&M next weekend, but will wait until the spring to sign a letter of intent.
