THUNDERDUCKS BASKETBALL

The Thunderducks bid for a return trip to the NJCAA Div. III National Tournament fell short after a 78-69 loss against the North Lake College Blazers Monday evening in the Metro Athletic Conference Post-Season Tournament in Guadalupe Hall on the Richland College campus.

Richland finished the regular season as MAC champs and hosted the post season tournament, but despite a solid performance in the semi-finals, the Thunderducks were unable to stop a hot North Lake Blazers team.

The Thunderducks finished the season 24-8 overall, including an impressive 13-2 home record, their only home losses coming in their final two playoff games against North Lake.

Metro Athletic Conference Post-Season Championship Game

	1	2	Final
North Lake	35	43	78
Richland	36	33	69
