THUNDERDUCKS BASEBALL

The Thunderducks got back on the winning track in the Metro Athletic Conference with a double-header win over Tyler Junior College Friday afternoon. With weather concerns an issue for the weekend series, the normal Saturday double-header was moved to Friday and the Thunderducks finished the day with 7-6 and 6-5 wins to improve to 7-7 in the MAC.

The Thunderducks and Apaches hooked up again Saturday for the finale of the weekend series, but weather would prove to be an issue as the game was suspended in the seventh inning with Richland winning 6-0.

Richland will continue MAC play when it plays host to Eastfield College Friday, March 24 and Saturday, March 25. First pitch for Friday is scheduled for 2 p.m. and Saturday at noon.

****SCHEDULE CHANGE****

The Thunderducks Monday, March 20 double-header against Murray State College has been postponed because of weather. No make-up date has been scheduled yet.

Friday, March 17
